## Chapter: Preserving Firearms Rights in Ohio

The Cocked Hammer RMC Cleveland Ohio Chapter is a dedicated group of firearms enthusiasts who are committed to preserving firearms rights in the state of Ohio. We are a non-partisan organization that is open to all individuals who support the Second Amendment.

Our chapter was founded in 2023 by a group of concerned citizens who were alarmed by the increasing attacks on gun rights in Ohio and across the country. We believe that the Second Amendment is a fundamental right that must be protected, and we are working to ensure that this right is upheld in Ohio.
