

The American Horticultural Society Guide To American Public Gardens And Arboreta: A Comprehensive Guide To Over 400 Of The Nation's Finest Gardens

Are you a gardening enthusiast or simply appreciate the beauty of nature? If so, then you'll definitely want to check out The American Horticultural Society Guide To American Public Gardens And Arboreta. This comprehensive guidebook provides detailed information on over 400 of the nation's finest public gardens and arboreta.

The guidebook is divided into six regions: Northeast, Southeast, Midwest, Southwest, West, and Pacific Northwest. Each region is further divided into states, and each state's listings are organized alphabetically by city. This makes it easy to find gardens and arboreta near you, or to plan a road trip to visit gardens in a particular region.

Gardens Across America, West of the Mississippi: The American Horticultural Society's Guide to American Public Gardens and Arboreta by Thomas S. Spencer

Each garden and arboretum listing includes the following information:

- Name
- Address
- Phone number
- Website
- Hours of operation
- Admission fees
- A brief description

The descriptions are written in a clear and concise style, and they provide a good overview of each garden's or arboretum's highlights. Many of the listings also include beautiful color photographs, which give you a glimpse of the gardens' beauty.

In addition to the individual garden and arboretum listings, the guidebook also includes several helpful features, such as:

- An index of gardens and arboreta by name
- An index of gardens and arboreta by state
- A list of recommended garden tours
- A glossary of gardening terms

The American Horticultural Society Guide To American Public Gardens And Arboreta is an essential resource for any gardener or garden enthusiast. It's a beautifully written and comprehensive guide that will help you discover the nation's finest gardens and arboreta.
