Detailed Instructions

Step 1: Prepare Your Fabric

1. Cut a piece of fabric larger than your desired finished size, leaving a margin for framing.
2. Mark the center of the fabric and use a hoop to keep it taut.

Step 2: Start Stitching

1. Thread your needle with two strands of embroidery floss.
2. Locate the starting point on the pattern and bring your needle up through the fabric.
3. Make a full cross stitch by bringing the needle down diagonally to create the first half and then up diagonally to complete the second half.
4. Continue stitching according to the pattern, following the color and stitch type.

Step 3: Finishing Touches

1. Once the stitching is complete, carefully remove the hoop.
